

CALERA CAPITAL

San Francisco, California – December 17, 2009

Calera Capital, a leading private investment partnership which has \$2.8 billion of capital under management, is pleased to announce promotions of Brian Fearnow to Principal and Vivian Ng to Controller.

Brian joined the firm in 2003 as an Associate and after attending Stanford Business School rejoined the firm as a Senior Associate in 2007. Since then, Brian has been instrumental in due diligence, negotiations and structuring on a number of the recent investments considered by Calera. He has also played a very active role in Calera's industry efforts around financial services and media. We look forward to great contributions in the future.

Vivian Ng has been with Calera since 1997. Vivian has had many responsibilities including accounting, financial reporting, fund operations and forecasting. Recognizing her accomplishments, Vivian has been promoted to Controller.

We hope you will all join us in congratulating Brian and Vivian on their recent promotions.
